THE L'ŒUVRE NOIRE COLLECTION PRESENTS THE SOLID PERFUMES

The perfume gesture redesigned into an elegant compact

Before they become “burning waters” by the addition of alcohol in the 13th century, perfumes appeared as a solid ointments, the famous solid perfumes.

Kilian offers now his 10 fragrances in the shape of solid perfumes.... The perfume can be applied on the skin with the fingertips.

Prelude to Love, Love, Beyond Love, Love and Tears, A Taste of Heaven, Straight to Heaven, Back to Black, Liaisons Dangereuses, Cruel Intentions and Sweet Redemption, the entire L'Œuvre Noire collection appears now in this solid shape

Unalterable and non-volatile, the solid perfume is displayed in a precious case engraved with Achilles' shield, symbol of the brand. The astute case encloses a mirror for all makeup retouches.

Ideal travel partner, easy to carry, the solid perfume signed Kilian is the new object of desire, a “must-have” in all women's handbags.

Technical information:

Each case is composed of 0.25 oz. of solid perfume.

The case in black zamac is engraved with Achilles' shield and protected by a gloss, encloses a mirror in its cap.

The solid perfumes are displayed in an ivory box with a black tassel, symbol of the brand.
